

**SAMPLE COURT ORDERS RELATED TO EDUCATION
FOR COURT-INVOLVED STUDENTS**

Court Order related to Education for Probable Cause Findings on Abuse/Neglect Matters

The Department of Health and Human Services, or their designee, shall communicate with a school age child's home school district to assure that all educational needs are being addressed and report the findings of such to counsel of record and to the court at the scheduled protective custody/detention hearing set herein by way of a checklist provided by the court. The information shall include where the child is enrolled, if the child is receiving any special education services or is enrolled in any gifted programs, school attendance, identifying what classes the minor is either failing or close to failing, those classes where the minor is performing at an above average level, and if a parent / guardian attended the last parent - teacher conference.

Court Order Clause related to Education for a Detention Hearing involving a Youngster who is Detained or Placed at Home on Electronic Monitoring

The Juvenile Probation Office shall communicate with the child's school district to assure that all educational needs are being addressed and report the findings of such to counsel of record within one week of the order herein by way of a checklist provided by the court. The information shall include the school where the child is enrolled, if the child is receiving any special education services or is enrolled in any gifted programs, school attendance, identifying what classes the minor is either failing or close to failing, those classes where the minor is performing at an above average level, and if a parent / guardian attended the last parent - teacher conference.
